Sustainability Plan Goal 2: Internationalise campus with online teaching and learning (Virtual)				
HARMONY Project Key Focal Areas and Sustainability Thrust Areas and Courses				
Nr:	Activities	Implementation period	Responsible	Expected results/ measurable indicators
1.	International students and Internationalization of the campus	2024-27	OIA, University Admission Department (Controller of Examinations) *	Increased intake of Students to bring about better internationalisation of classrooms and campus
2.	Encourage students to undertake online courses, offered by foreign Universities/Institutes (OER*, MOOCs* and so on)	2024-27	All Academic Units, CDVL* and CDLTR All Academic Units	Increased exposure for Students to such courses and programmes
Sustainability Plan Goal 3: Internationalise campus with international syllabus and curricula				
HARMONY Project Core Ideas and Sustainability: Syllabus and Academic Programmes				
Nr:	Activities	Implementation period	Responsible	Expected results/ measurable indicators
1.	Focus on curriculum design with employability skills as practiced in top Educational Institutions	2024-27	All Academic Units	This is an ongoing activity under National Education Policy (NEP) 2020 in India and UoH follows same trajectory
2.	Develop and restructure Courses at UoH with ESG Concerns (Environmental, Social and Governance)	2024-27	All Academic Units	UoH already have already started such initiatives under Outcome Based Education (OBE) framework for teaching courses. The target is to bring in all the teaching courses under OBE (an NEP recommendation). This restructuring as per NEP 2020

					includes focus on environmental issues and other societal concerns such as gender equity.
